Sub: Non conduct of courses by training institutes for more than a year-reg

Sir,

Kindly find attached a list of training institutes and the list of courses which they have not conducted for more than a year. The dates from which the courses are not uploaded are also mentioned in the list.

Attention is invited to Section 5.1 of DGS Order No.5 of 2016 dated 1.11.2016 which is reproduced below:

QUOTE:

“Where, after the approval of the DGS, no post-sea competency or modular or simulator course is conducted for a year or more, the DGS approval shall be deemed to have automatically lapsed by default. This is necessary since the faculty would not normally be retained/utilized and the equipment might have deteriorated during this period. The approval may be revived by subsequent inspection on request received from the institute and after payment of processing fees.”

UNQUOTE:

In view of the above, it is hereby notified that the courses mentioned against each of the training institutes stand automatically withdrawn with immediate effect. If any institute desires to conduct any of the DGS approved course, they may apply afresh, if they so desire.

18 June 18

(Deependra Singh Bisen)
Asstt. Director General of Shipping.
